

"Interiorization" as the basis of the exteriorization, of the inauthenticity and of the historicization of modern man

Maria Cristina dos Santos de Souza*

Abstract:

Beginning with the study of Nietzsche's second and third untimely meditations, *On the use and disadvantages of history for life* and *Schopenhauer as educator*, this article aims to demonstrate that the implication between the modern historical sense and human interiorization and exteriorization processes promoted the advent of modern humanity.

Key-words: Interiority; Exteriority; Modernity.
